CS2/CSGO Player Stats Tracker Checklist

1. Set Up Faceit Finder
   - Visit [Faceit Finder](https://faceitfinder.com).
   - Create a free account or log in if you already have one.

2. Search for Player Stats
   - Enter Player Nickname or Steam ID into the search bar.
   - Click Search to get the player’s ELO, K/D Ratio, Win Rate, and more.

3. Review Detailed Stats
   - Check the player’s Headshot Percentage and Kill/Death Ratio.
   - Look at Win Rate and Map-Specific Data.
   - Click on View Match History to analyze recent games.

4. Track Match History
   - Review the last 5 matches for detailed insights.
   - See the player’s performance in each match and their team’s results.

5. Compare Performance
   - Use Faceit Finder to compare stats with teammates or opponents.
   - Click on the Compare button to view side-by-side performance.

6. Monitor ELO Changes
   - Keep track of ELO Points over time.
   - Use this data to improve gameplay strategies and monitor progress.

7. Check for Cheating Indicators
   - Use Faceit Finder to spot suspicious behavior or cheater estimations.
   - Review ban history to ensure fair play.

8. Track Progress Over Time
   - Check your stats regularly to monitor progress.
   - Set goals based on your K/D Ratio and Win Rate.

9. Adjust Your Strategy
   - Based on the stats, tweak your gameplay, focus on strengths, and work on weaknesses.
   - Use insights from Faceit Finder to adjust your strategies in future games.

10. Share Your Stats
   - Want to show off your progress? Share your Faceit Finder profile or stats on social media or with friends.
   - Visit [Faceit Finder](https://faceitfinder.com) for more insights.

Benefits of Using Faceit Finder:

• Detailed Insights: Comprehensive stats on players' performance.
• Easy Tracking: Simple process to monitor and compare stats.
• Increased Awareness: Spot trends, strengths, and weaknesses in gameplay.

Final Thoughts:

Ready to take your CS2/CSGO gameplay to the next level? Start using Faceit Finder today and track your progress with the most detailed player stats available! Visit faceitfinder.com now.
